

CPIC December and January Report

December

- 6 teachers submitted their credit courses intent form – all were accepted
- 9 PDA were presented- all were approved for a total of \$3881.25
- The committee reviewed yearly plans that were received. Three plans were sent back to the DPIC chairperson for various reason (signature missing, inaccurate information which was not respecting the criteria)

January

- 10 teachers submitted their credit courses intent form – all were approved
- 7 PDA were presented – all were approved for a total of \$2942.08
- Yearly plans were sent back with the appropriate corrections. 4 plans are still missing. DPIC chairpersons as well as principals have received email reminding them to send in their plan. Funds have not been attributed to these schools/centers and will not be as long as we have not received the plan.
