

Council of Commissioners
Report of Meeting of 19th December, 2016

Chair:

Suanne Stein-Day reported that students from St-Charles School presented some of their work to the Minister of Education, Sébastien Proulx, via Skype.

Director-General:

Michael Chechile visited many schools and participated in many planned activities.

Administrative Changes:

- Marilyn Aon will become the Director at PEC replacing Rick Oliver
- Jamie Donnelly will be Assistant Director at PACC Vocational
- Alisha Tathgur will become the Assistant Director at Place Cartier

Mary Rutherford, President of the Professional Staff, spoke out against the Chair because she had suggested in The Suburban newspaper that "the people who had called for more transparency - including several school board union leaders - as well as others demanding her resignation, all had ulterior motives."
