

Special Needs Central Parity Committee (SNCPC)
Report to the Annual General Meeting 2016-2017

Budget

As of May of this year, a total of \$11.3 million was spent on Integration Aides and Special Education Technicians. New requests were discussed at each meeting this year and most requests were granted.

Topics of Discussion

- The role of the Parity Committee
- The role of the resource teacher
- The replacement of Integration Aides and Support for Special Needs Students (Survey of Monitoring Students was presented)
- The budget allocation for special needs students
- Aggressive students
- Specific schools (merged schools, school visits and schools with high numbers of IEP's)

Visit(s)

- REACH program in Dorval Elementary

Presentation

- TIPPS (Trauma Informed Pedagogy and Pedagogical Strategies)
