

**Central Professional Improvement Committee**  
**Report of September 14th 2017 Meeting**

**End of the year Reports**

Two schools have not submitted their end of the year reports. Their Chairperson will be contacted.

**New teacher Workshop Brochure**

Various workshops have been scheduled to help and mentor teachers in their first or second year of teaching. The brochure will be distributed shortly to new teachers. The New Teacher Induction Program is now under CPIC umbrella. Money has been set aside to allow substitution cost. Please encourage new teachers in your school/centre to participate in these various activities. It is a chance to gain more professional development as well an opportunity to network with colleagues. Registration to the workshop will be done through SSO.

**List of Conferences**

A list of various conferences/ professional development activity (PDA) will be posted on SSO, under the Professional Development tab. This list provides teacher with various activities attended by teachers in the past. The list has been divided by subjects in order to facilitate the research.

**Review of Requests**

- 22 credit courses intent were reviewed. All were approved.
- 10 PDA were reviewed. All but one were approved. One conference was rejected as it did not meet CPIC criterion's. CPIC will not pay for a teacher to attend a PDA if the teacher is supervising students during the activity.
- One network was submitted and approved. Six teachers from five different schools are collaborating on a Universal Design for Learning Network.
