

Central Special Needs Parity Committee (CSNPC) Report
Meeting of Monday January 22, 2018

Sub-Committee

A sub-committee was formed to prepare a workshop for the May 18th pedagogical day. The goal of the workshop was discussed. More to come.

Requests

Several schools made new requests for integration aides in the month of January. All schools received some allocation for a total of 33 hours of extra aide time per day.

Budget

There was a balance of \$29,000 and \$50,000 was added to the budget this month. The parity committee has spent all of the monies available to date for an approximate total of 12.2 million dollars.
