

Educational Policies Committee (EPC)  
Meeting of January 22<sup>nd</sup>, 2013

**Law 19 (Bill 56):**

School plans should have gone through governing boards in January. A parent pamphlet is being prepared and there is a reporting form being prepared for administrators which will eventually be shared with school staffs.

**Elementary Evaluation Schedule:**

This schedule has been shared with administrators and teaching staffs.

**Upcoming ESD workshops:**

- There is an upcoming board wide ped day on Feb 8<sup>th</sup> 2012
- SSD has 54 workshops planned
- Many of these will be given by LBPSB teachers
- There was some discussion as to whether the workshops are mandatory, but ultimately it is a school decision

**Educational Technology:**

Michael Checile gave a brief presentation on some of the initiatives and applications being used throughout the school board.

**Secondary School June Exam Schedule:**

The June exam schedule has been sent out to schools.

Respectfully submitted,  
Roger Plourde
