

PROFESSIONAL STAFF POSITION

Association provinciale des enseignantes et enseignants du Québec

QPAT Professional Staff Position

QPAT wishes to fill a position on its professional staff specializing in matters connected to the professional side of teaching. The ideal candidate will possess some or all the following assets:

- Teacher qualification
- Knowledge of the Québec education system, particularly curriculum
- Knowledge of the governance structures which interface with pedagogical questions
- Knowledge in Special Education
- Additional degree(s) or equivalent experience
- Experience in educational research
- Willingness to assume leadership on pedagogical questions
- Bilingualism
- Commitment to unionism

The job will involve working jointly with the QPAT team in the following areas:

- Training/support of union representatives on matters relating to pedagogy, processes related to the Education Act and the collective agreement, as well as regarding representative bodies of teachers at the school and school-board levels;
- Conducting research in the areas of pedagogy and the organization of services for students with special needs and the inclusive model; contributing to developing QPAT positions on such matters;
- Representing the Association at provincial tables on matters relating to pedagogy and special needs;
- Collaborating with our colleagues from the FSE/CSQ on research projects and pedagogical dossiers;
- Other matters relating to pedagogy.

Salary is based on the current QPAT professional staff scale and will be determined according to experience.
