

Central Special Needs Parity Committee (CSNPC)
Report to the Annual General Meeting 2018-2019

Budget

As of April 29, 2019, a total of \$12,710,000 was spent on allocations for Integration Aides and Special Education Technicians. This year, most of the funds were allocated at the start of the year, instead of the previous practice of holding funds back. New requests were discussed at each meeting this year and as many requests as possible were granted.

Topics of Discussion

- The role of the Parity Committee and the school-level Special Needs Committee
- The role of the Resource Teacher and Integration Aides
- The Reference Guide for Resource Teachers
- Replacement of Integration Aides when absent
- IEP Release Days
- Concerns from specific schools

School Visits

- There were no school visits this year.
